SUMMARY

Fast-learning Full Stack Developer who rapidly adapts to new technologies, delivering scalable web applications with the MERN stack, and Python-based data processing using NumPy and Pandas. Built impactful projects like a job portal and movie booking system, blending modern UI design with robust backend solutions.

KEY SKILLS

- Front-End: React, HTML, CSS, JavaScript, Tailwind CSS
- Back-End: Node.js, Express.js, ASP.NET
- Databases: MongoDB, MySQL
- Programming: Python (Intermediate), Java (Basics)
- Data Science: NumPy, Pandas
- Tools: Git, GitHub, Postman, REST APIs

EDUCATION

Bachelor of Computer Applications (BCA) - CGPA : 7.14

Aug 2021 - May 2024

- Veer Narmad South Gujarat University

Master of Computer Applications (MCA) - CGPA : 7.93

Aug 2024 - Present

- Uka Tarsadiya University

PROJECTS

WorkSphere - Job Portal

Feb 2025 - Jun 2025

- Built a job portal using the MERN stack to efficiently connect job seekers and employers.
- Implemented secure user authentication with JWT and bcrypt.
- Developed advanced search filters and a responsive React-based UI.
- Created scalable RESTful APIs using Node.js and Express.js and managed data with MongoDB.

Learning Management System

Feb 2025 - Jun 2025

- Built a role-based LMS with separate panels for Admin, Instructor, and Student, implementing secure authentication and access control using Laravel middleware.
- Enabled instructors to create courses, upload lessons, quizzes, and assignments, while students could enroll, learn, and complete evaluations.
- Admin panel allowed full platform management, user control, and performance insights through a responsive, scalable web interface.

Movie Ticket Booking System

Dec 2023 - Feb 2024

- Developed a dynamic ticket booking platform with real-time seat availability and responsive UI.
- Implemented secure seat selection with validation to prevent double bookings and integrated Razorpay for online payments.
- Automated billing system and provided smooth user experience with transaction records and responsive design.
