Rawalvagendra4@gmail.com

## PROFESSIONAL SUMMARY:

I have basic skills in MERN stack development along with knowledge of PHP and MySQL. I'm also familiar with other programming languages and enjoy building simple and responsive web applications.

## SKILLS:

- HTML & CSS – To create and style web pages
- JavaScript (ES6+) – To add interactivity to websites
- React.js – To build user interfaces
- Node.js – For backend development
- PHP – For server-side scripting
- MySQL – To manage relational databases
- Basic Debugging & Problem Solving – To identify and fix code issues

## PROJECTS:

### E-commerce Website

05 October, 2023 - 15 March, 2024

- Developed a basic e-commerce website using HTML, CSS, JavaScript, PHP, and MySQL.
- Implemented features like product listing, shopping cart, user login/register, and order placement.
- Designed a user-friendly interface with proper database connectivity for managing products and users.

### Job Portal Website

12 March, 2025 - 20 May, 2025

- Created a job portal using MongoDB, Express.js, React.js, and Node.js (MERN stack).
- Implemented features like job listings, user registration/login, and role-based dashboards for employers and job seekers.
- Enabled job application submission and real-time data handling through RESTful APIs and MongoDB.

## EDUCATION:

2021 - 2024 | Veer Narmad South Gujarat University

Bachelor of Computer Science (BCA)

2024- 2026 | Uka Tarsadiya University

Master of Computer Science (MCA)
